Melba Bishop Pickleball

Hello Melba Bishop Members!

Welcome to September! We are all hoping for a little cooler weather and lots of pickleball!

A **HUGE** Thank you to all the members who volunteered to make the San Diego Senior games such a successful event. Everyone had a great experience and MBPBA could not do it without the help of our awesome members. You are much appreciated!

Another **HUGE** Thank you to the City of Oceanside for providing the much desired shade cloths between the two sets of courts. It makes a giant difference when you are waiting to play.

Open play is a member perk that is a fun time reserved for Melba members to be able to enjoy the reserved courts with some great competition. If you bring a guest, please tell them we are a cash free organization, so have them use the Zelle or Venmo QR codes at the sign-in table to pay for their visit. If guests are going to be attending frequently, encourage them to join MBPBA by visiting our website www.oceansidepickleball.org, its the best deal in town for pickleball players!

The board would also like to thank all of our **court hosts**, they show up, set up and keep Open Play running smoothly. This past week, our host **Cookie**, and her husband Manual, were celebrating their 63rd wedding anniversary. At Open Play, as our host, Cookie setup a cute tribute to their many years of love and also provided snacks!!! Now that is something we all got to celebrate! Cookie also played in the 80+ division of the SD Senior Games in August. Cookie and her partner Bruce took Bronze! Thank you Cookie for your dedication!

The next Monthly round robin is Saturday, September 19th. For more event information, please see weekly schedule below.

Regards your Board,
April, CC, Ann, Marsha, Karen, Kathy and Jason

“COOKIE” SD SG- LOVE-TREATS!!!
